ACHIEVEMENT

2020: Obtained a 75% average in my 4th year of Bachelor of Commerce degree.

2020: Class Representative for my Insurance Module.

OBJECTIVE

B.com Information Systems, Insurance and Investments graduate looking for a position in a major company where I am able to augment my knowledge of Investments through practical experience and ultimately gain expertise in Investment Analysis.

PERSONAL PROFILE

I am a dynamic, innovative and ambitious new graduate with boundless enthusiasm and infectious confidence. Being involved in a degree as demanding as Commerce and double majoring in Investments and Information systems was a unique challenge. It came with a host of skills earned over time: detail-orientation, decisive decision making and sharpened organizational skills.
